Grand Lisboa Palace Macau Ranks Among the Global Top 200 in La Liste's "Top 1,000 World's Best Hotels 2026"

THE KARL LAGERFELD MACAU Makes Its Debut on the Prestigious Global List

(Macau, 22 July 2026) SJM Resorts, S.A. is pleased to announce that Grand Lisboa Palace Macau has once again been named among the Global Top 200 Hotels in La Liste's "Top 1,000 World's Best Hotels 2026". Meanwhile, THE KARL LAGERFELD MACAU has earned its first-ever inclusion on the prestigious list. Together, these recognitions underscore SJM's commitment to exceptional hospitality and place SJM among the world's leading hospitality groups, reaffirming its distinctive approach to luxury hospitality and its role in presenting Macau's rich cultural character to international travellers.

Grand Lisboa Palace Macau draws its design inspiration from Eastern aesthetics, with interiors that artfully blend Chinese and Western artistic influences as a tribute to Macau's profound heritage, fully reflecting the city's distinctive spirit and timeless appeal. THE KARL LAGERFELD MACAU, on the other hand, exudes a distinctive contemporary flair, with every element—from interior design and furniture placement to wall art—curated by international fashion legend Karl Lagerfeld, delivering an unparalleled guest experience. SJM remains dedicated to offering a rich spectrum of experiences, from MICHELIN-starred restaurants and award-winning wellness facilities to curated retail, art and cultural programming.

Ms. Daisy Ho, Managing Director of SJM, said, "We are deeply honoured to have achieved remarkable results in La Liste's 2026 global hotel rankings. Coming on the heels of our exceptional results in La Liste's 2026 Restaurant guide where Robuchon au Dôme was ranked among the world's 10 best restaurants, tied with nine other restaurants at a score of 99.5, this latest accolade further strengthens SJM's pursuit of excellence across both hospitality and dining. It affirms our distinctive expression of contemporary luxury and further reinforces Macau's reputation as a World Centre of Tourism and Leisure."
