The Adventures of ALICE @ Grand Lisboa Palace Resort Macau Unveils New Season

*Talents from Macau, Greater Bay Area, and Overseas
Bringing Theatrical Storytelling to Life*

(Macau, 3 July 2025) Following a successful debut this spring, *The Adventures of ALICE @ Grand Lisboa Palace Resort Macau* continues with a new season of performances this summer. Presented by SJM Resorts, S.A. (“SJM”), the imaginative ballet-inspired show charmed audiences earlier this year with its playful choreography, bold design, and immersive storytelling.

This season features talented ballerinas from Macau, Greater Bay Area, and overseas, reflecting SJM’s commitment to offering a professional platform for young dancers. SJM creates an opportunity for local talents to collaborate and grow with a leading international team, fostering creative exchange and developing technical skills. Four Macau local ballerinas join the residency this season, giving them invaluable stage time and mentorship within a world-class production environment.

The acclaimed production continues with choreography and direction by Septime Webre, the internationally renowned Ballet Artistic Director and Choreographer known for reimagining classics with a contemporary flair, guidance by Ballet Master Wei Wei, original score by Hong Kong composer Ng Cheuk-yin, innovative lighting by lighting designer Mak Kwok Fai and costumes by Cirque du Soleil’s Liz Vandal. Performed by professionally trained ballerinas selected through open auditions, the show unfolds in-the-round at the Grand Lisboa Palace Resort Macau’s custom-built 360-degree Atrium Stage where audiences of all ages are drawn into Alice’s surreal and magical world.

The performance extends beyond the stage with interactive elements. Join “Alice’s Fantasy Parade” after the show, where beloved characters interact with guests throughout the resort, bringing joyful moments to children and adults alike. Guests can also join the “Wander at Wonderland” to redeem the “Alice-themed photo booth experience” by completing two steps: 1.) present a same-day single net spending receipt of MOP300 or more from designated retail outlets, and 2.) share photo(s) taken at the Alice-themed installations on social media using specific hashtags.

Explore the whimsical “Alice’s Dream Wonderland” on Level 2 retail area, and the “Alice’s Enchanted Garden” installations on Level 3’s Jardim Secreto. These surreal settings offer enchanting photo opportunities. Extend the adventure with a “Sand Painting Candle Workshop” on 13 July at GLP Arte, letting children design their own glowing, colourful Alice-inspired candles to cherish.

Show Dates and Times*: Every Thursday through Sunday from 5 July until 31 August (Excluding 28 & 29 August)
2:30 p.m. and 5:00 p.m.
