**SJM Clinches One Gold and Five Silvers
at the Star Wine List of the Year Asia 2025**

(Macau, 26 May 2025) SJM Resorts, S.A. (“SJM”) proudly celebrates a stellar showing at the Star Wine List of the Year Asia 2025, with two of its acclaimed restaurants, Robuchon au Dôme and Zuicho, collectively receiving one Gold Star and five Silver Stars across four award categories, securing the most awards among all Macau participants. These achievements underscore SJM’s ongoing leadership in premier wine and fine dining excellence.

Robuchon au Dôme, renowned for its unparalleled wine selection and classic French gastronomy, received Gold Star in the “Best Spanish Wine List” category, alongside Silver Stars for “Best Long List” and “Best Italian Wine List.” This diverse recognition reflects the restaurant’s exceptional breadth and depth across regions.

Zuicho, SJM’s exclusive kappo-style Japanese restaurant, also earned three Silver Stars, winning in the categories of “Best Long List”, “Best Italian Wine List”, and “Best By the Glass List”—a testament to its refined pairing philosophy.

Ms. Daisy Ho, Managing Director of SJM, remarked “Over the years, SJM has continuously invested in nurturing a team of professional sommeliers—pursuing excellence from wine philosophy and cellar management to guest engagement. This recognition is a great encouragement for our team as we continue to nurture local talent and strengthen wine professionalism for Macau.”

Launched in 2018, the Star Wine List of the Year has evolved into one of the wine industry’s most sought-after accolades. Its Asian edition, introduced in 2023, highlights the region’s growing sophistication and global relevance in wine programming. Winners are chosen by a panel of internationally renowned sommeliers, with entries judged on depth, quality, and innovation.

SJM’s dedication to wine culture is backed by one of the world’s most celebrated cellars, housing nearly half a million bottles and more than 17,400 labels across its properties. In parallel with its culinary excellence, SJM continues to champion vinous excellence across its portfolio to bolster the city’s standing as a UNESCO Creative City of Gastronomy.
